Hako B120R Electric Scrubber Dryer

Make	Hako	**Model**	B120R
Fleet Number	06749	**Power/Fuel Type**	Electric

The Hako B120R is a high-performance, ride-on scrubber-dryer designed to quickly clean medium to large commercial and industrial floors. It combines three jobs in one pass: dispensing cleaning solution, scrubbing away dirt with rotating brushes, and vacuuming the dirty water into a built-in recovery tank.
